

WOW~~~ Bagels!!

Let's break up.

The story ends as anyone would expect- anyone except him of course, the only person blind enough to be surprised at his luckless love-life. He soon decides to get his revenge. After realising that just determination isn't going to achieve revenge, he decides, "When the time comes, I will form a plan and try to get even."

A man's cruel vengeance!!!

Byoung-Sim

Let me introduce you...

This is -

My new boyfriend.

Mhm?

It's my first time meeting you.

Are you Byoung-Sim?

I've heard a lot about you from Sun-Young.

Rustie

What...what the... hell is this guy.

I am Gye-soo Byuk

He is so tall and handsome -

He's wearing an AMAZING SUIT!!!

He is definitely a man with good career!!

I don't have a career; On top of that, I don't even have a suit!!

OOOH!! My hand...

DO I LOOK LIKE A GUY TO HOLD?

WHEN I HOLDING HAND, SURELY NOT...

Well,

I think that it's time to end the niceties. I'll be frank with you.

From today onwards

You will have nothing more to do with Sun-Young.

... what...?

What did you just say...

Get out of Sun-Young's face, you scum.

What?!!!

Who are you, you son of a bitch!!! Who the heck are you to decide that?!!

You bastard, you better watch what you're saying.

You want me to beat you up?!!

hahaha- Byung-sim, you are so...

Are you feeling suicidal?

No... More than that, those eyes are -

Shit... what is this? His eyes are those of a killer's.

Of a person who could dispose of a victim in a kindergarten!!

Don't let anyone threaten a woman.

He looks like a real bad-ass villain.

Did I sound scary?

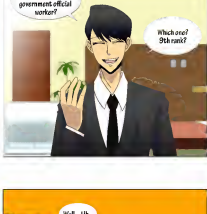

Byung Sim... Do you want to be disposed of in front of a kindergarten tomorrow morning?

I'm sorry.

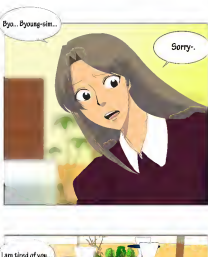

He is completely badass, seriously!!!

Well... As civilized people, negotiation should be the first choice.

YOUNG-SIM, YOU A SCUM TARD!
